

**Pakistan
Association for
Lovebirds (PAL)®™**

Thank you very much to the board of ABE for kind appreciation and recognition, will assure you the highest standards of excellence in order to maintain Agaporis breeders hobby/practice regionally and internationally.

That was the team work to establish Pakistan Association for Lovebirds (PAL) under the leadership and governance of PAL board, we contacted many countries breeder for this purpose also firmly acknowledged their efforts and special thanks to Didier Mervilde for contributing his share as founder honorary member of PAL.

We are stand united without boundries for the promotion of Agaporis hobby and feeling pround to see the Pakistan representation internationally with USA, Belgium, Chile, Cuba, Philippines, Portugal, Spain, South Africa, Puerto Rico and UK.

Thanks to all club alliance member, breeder, exhibitor and executives.

PAL welcome to all new member with vision and promise to make international community healthy.

**Habib Ur Rehman
Founder & President
Pakistan Association for Lovebirds (PAL)**
